WELCOME TO DE ICON

More than a room. A whole occasion.

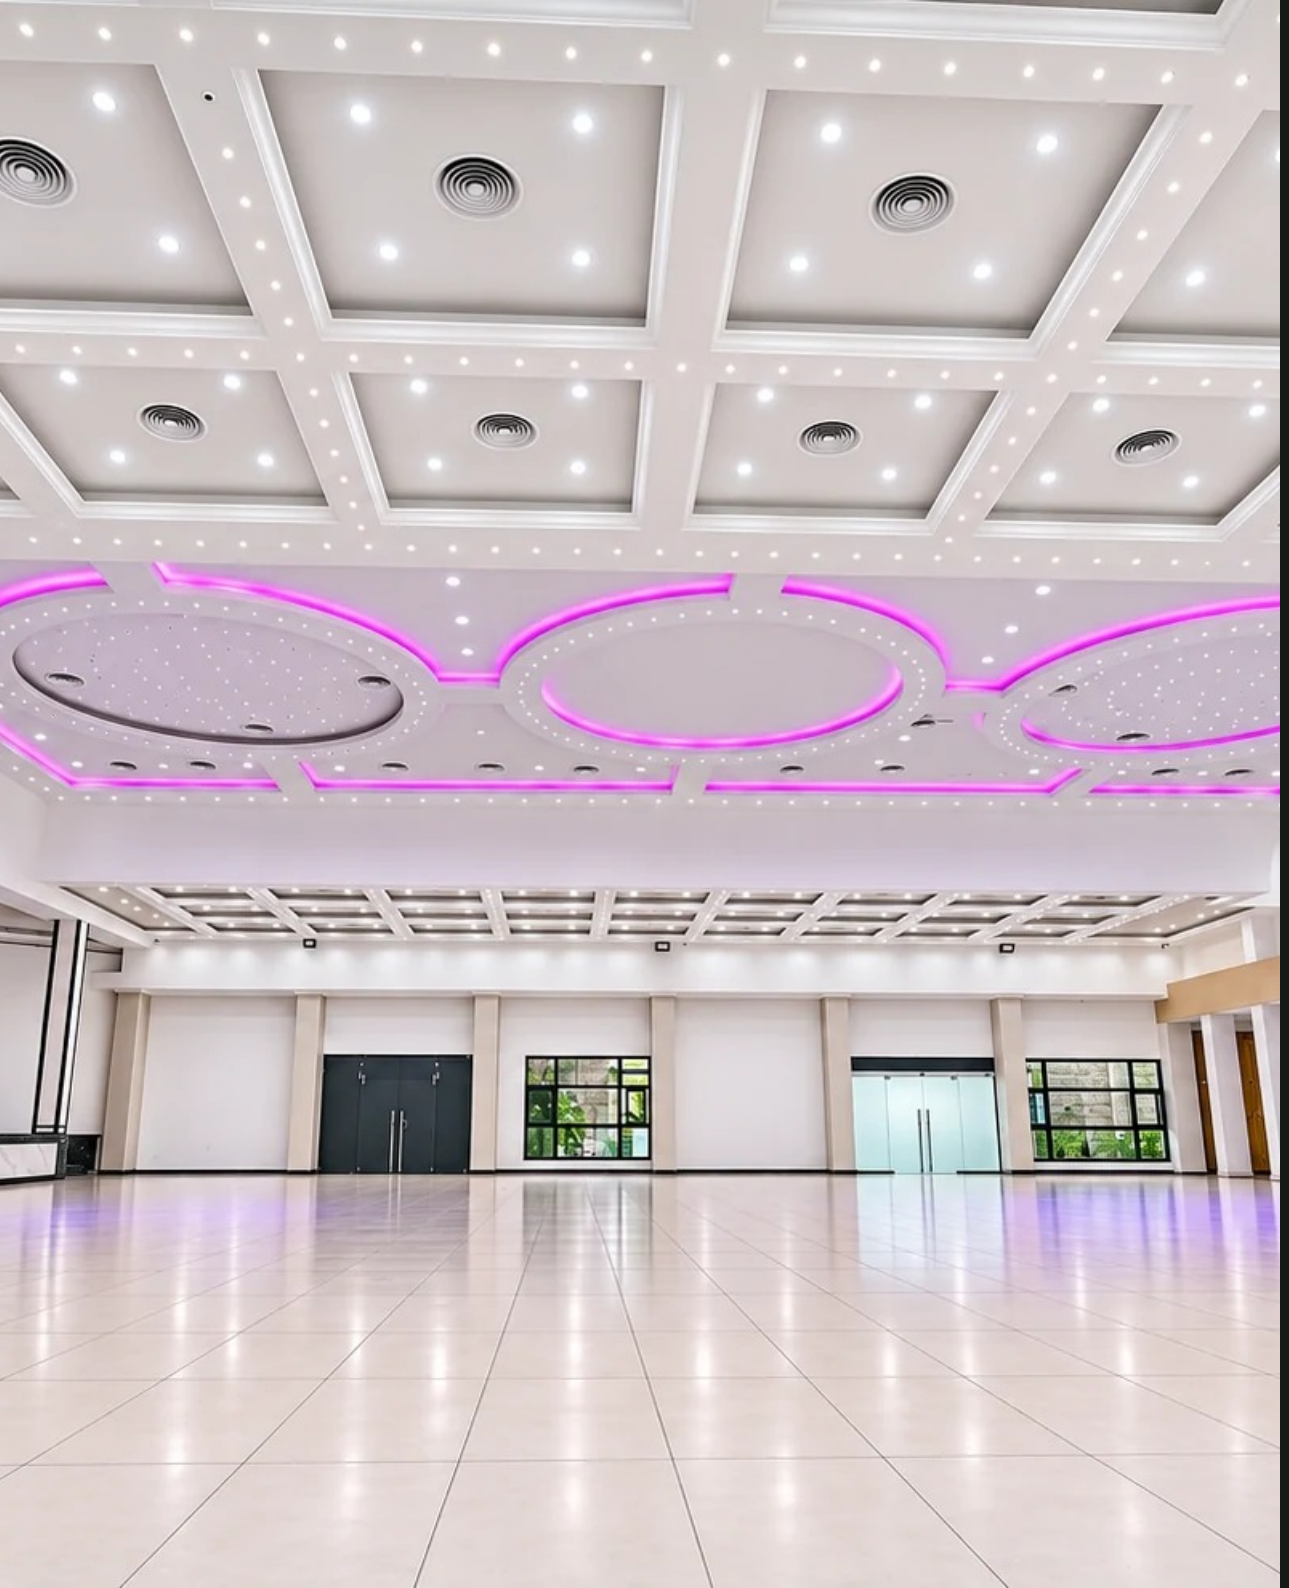

A warm welcome, a space to celebrate and places to pause in between. De Icon brings together an expansive main hall, reception areas, a VIP lounge, a restaurant and multipurpose area, outdoor space and suites.

Every occasion is different. Explore the spaces with us, then let us help you shape the experience around your people.

01 / MAIN HALL & WELCOME

A grand setting. Your own vision.

04 / VIP LOUNGE & SUITES

A little more room to unwind.

Beyond the main event, discover places for preparation, conversation and a quieter moment. The VIP lounge and suite collection add another dimension to the venue.

Suite layouts, facilities, access and availability vary. Ask our team what may be available for your occasion.

05 / THE OUTDOOR SPACE

A different perspective.

Step outside to a paved open-air setting with a green backdrop. It is another part of the venue to explore and another way to think about the flow of your occasion.

Outdoor use, suitable layouts and capacity depend on the event and should be confirmed with our team.

06 / BRINGING IT TOGETHER

Thoughtfully planned. Personally yours.

Tell us what you have in mind. We can discuss a tailored package, in-house event planning, vendor partners, facilities support and our in-house security team.
